

Dear contributors, colleagues and co-workers,

I hope you all enjoyed some well-deserved free time during summer and stayed well and healthy. With autumn, the last months of enrolment in the SENOMAC trial are now ongoing: as announced before, the trial will **close for further enrolment on December 31, 2021**.

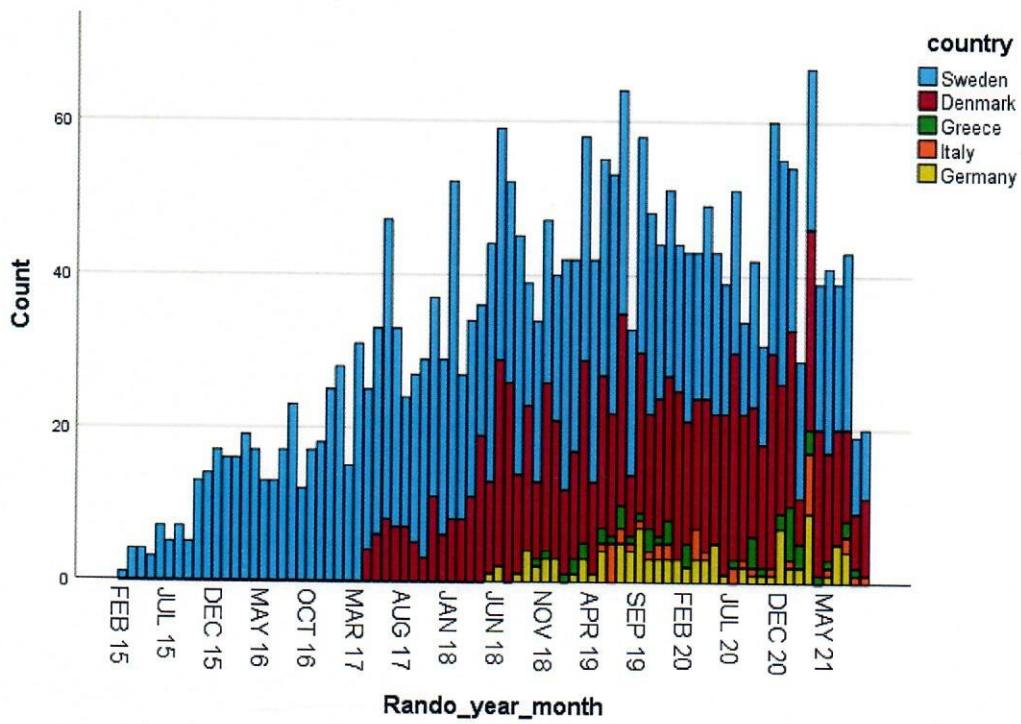

I wish to share current enrolment figures with you on the following pages. We have now reached a total of 2628 randomisations, but there has been a trend towards fewer overall inclusions during the summer months. I hope we can all make a last effort to maximise enrolment during these last months of 2021.

Please do share this newsletter with your team.

My very best wishes and warm gratitude to you all!

Jana de Boniface,  
for the SENOMAC steering committee and the sponsor Karolinska Institutet.
